

BOTTOM TIME DIVE SERVICE

2026 service rates

Hull cleaning, additions and anodes

Scheduled hull cleaning

Per cleaning, per foot of length overall (LOA). \$100 minimum. Scheduled rates require at least monthly service. Twice-monthly cleaning is generally recommended May through October.

Mono-hull sailboat	\$3.00 / ft LOA
Powerboat under 55 ft	\$3.50 / ft LOA
Powerboat 55 ft or longer	\$4.00 / ft LOA
Catamaran (2 hulls)	\$3.25 / ft LOA
Trimaran (3 hulls)	\$3.50 / ft LOA
Pontoon	\$4.00 / ft LOA
Tritoon	\$6.00 / ft LOA

Cleaning additions

Private residence / dock	\$25 per cleaning
Bow / stern thruster cleaning	\$10 each
Hydraulic lift / swim platform	\$45 per cleaning

Anode replacement

Anode installation	\$20 each + materials
--------------------	-----------------------

Zimar, Camp and Tecnoseal anodes are charged at manufacturer suggested retail price (MSRP), plus installation. Current materials pricing is confirmed for your boat.

Hourly cleaning and growth charges

Excessive growth	\$150 per person / hour
One-time or rush cleaning	\$150 per person / hour

One-time / rush cleaning has a one-hour minimum. Boats not on at least a monthly cleaning schedule are treated as one-time cleanings.

From May through October, heavy or extreme growth reported between cleanings is billed hourly. Growth and bottom-paint condition can affect the final price.

BOTTOM TIME DIVE SERVICE

2026 service rates

Propeller work and boatyard fees

In-water propeller removal or installation

Prices are per propeller, per operation. Removing and reinstalling the same propeller counts as two operations.

Inboard shaft under 2 inches	\$13 / inch prop diameter
Inboard shaft 2 to 2-3/4 inches	\$15 / inch prop diameter
Inboard shaft 3 inches or larger	\$17 / inch prop diameter
Folding propellers	\$22 / inch prop diameter
IPS / Zeus propellers	\$14 / inch prop diameter
Outboard removal	\$150 per propeller
Outboard installation	\$150 per propeller

For a shaft size between the listed ranges, or different propeller sizes on the same job, contact us for a job-specific estimate. Propeller repairs are separate and require written estimate approval.

Regular Bottom Time hull-cleaning customers receive 15% off in-water removal and installation. The discount does not apply when using your own repair shop.

Boatyard labor

Hourly labor	\$150 per person / hour
Propeller pull or installation	\$150 per propeller

If propeller work exceeds one hour, hourly rates apply. Other running-gear work is quoted for your job.

Charlotte Harbor Boat Storage yard fees

Daily storage	\$50 per day
Haul and launch	\$9 per foot LOA
Blocking	\$50 per blocking
Re-blocking	\$100 per re-blocking
Pressure washing	\$4 per foot LOA

These yard fees apply to Charlotte Harbor Boat Storage. Long-term storage and haulouts at other boatyards must be arranged directly with the boatyard.

BOTTOM TIME DIVE SERVICE

2026 service rates

Piling wraps and planning your service

Piling wraps

Wrap up to 5 feet	\$75 per piling
Wrap over 5 feet	\$15 per linear foot
Piling cap installation	\$10 per cap

Measure from the sand to the top of the wrap. For wraps over 5 feet, use the per-linear-foot price. The cap installation rate applies with purchase of a piling cap.

Thruster propeller service

We clean accessible bow and stern thruster propellers and tunnels and replace thruster propellers where access allows. Replacement work is quoted for the job. We do not offer thruster motor, electrical or gearbox repairs.

Where we work

Mobile service at marinas, private docks and boatyards across Sarasota, Manatee, Charlotte and Lee counties in Southwest Florida. Priority service areas include Venice, Venice Beach and Osprey. We have no public storefront.

Contact and hours

Phone	941-260-4000
Email	info@btdive.com
Website	https://btdive.com/
Monday-Friday	8 AM-5 PM
Saturday-Sunday	Closed

Request service

Send your boat type and length, marina or private-dock location, and the work you need. For propeller service, include the propulsion setup and propeller dimensions if known. We confirm access, scope, timing and pricing before scheduling.
